

Congratulations to Humble ISD's 2013-14 New Teacher Mentor Academy on completing their first year of teaching! One hundred and five teachers joined the Humble ISD family for their first year in the classroom, and ended it on a high note with music, refreshments and a word from Superintendent Dr. Guy Sconzo, Chief Academic Officer Dr. Tommy Price and Assistant Superintendent of Curriculum and Instruction Dr. Robin Perez. Teachers also shared with one another some of their most memorable moments, and ended the evening with a plaque to commemorate a successful first year.
