

Humble ISD registering for 2014-2015 kindergarten classes

Humble ISD schools have announced dates to register for 2014-2015 kindergarten classes. Many schools also have scheduled open houses, or Kindergarten Roundups, in April and May to help parents learn about the kindergarten program. Students must be 5 years old or older on September 1 to be in kindergarten. After-school care is available for a fee at all Humble ISD schools through the Lake Houston Family YMCA. Monday August 25, 2014, will be the first day of school.

Parents who are new to Humble ISD will need to register their student(s) online. [Learn more about online New Student Registration](#). After enrolling online, parents contact the student's school to complete the enrollment process.

Bring the following documentation to your child's school to complete registration:

- official birth certificate (or legal document to establish age and identity, [see list other acceptable documents](#))
- immunization records
- parent's driver license for identification purposes
- last report card from the previous school (if applicable)
