

Members of QECHS Class of 2014 earn Associate's Degrees

Thirty-nine Quest Early College High School students conferred their Associate's Degrees on Saturday, May 10 as members of QECHS's first graduating class! These Class of 2014 seniors earned either their A.A. or A.S. before officially graduating from high school and earning their diploma. More than two-thirds of QECHS first graduating class

will complete their senior year with an Associate's Degree and a combined total of 6,854 college credit hours earned.

"These students have worked so hard for the past four years," said QECHS Principal Ginger Noyes. "We are so proud of them for this tremendous achievement."
