

Twenty-one Humble ISD music students in All-State ensembles

We are very pleased to share with you that a total of 21 Humble ISD High School Fine Arts music students earned chairs in the 2014 All-State Band, Choir, Jazz and Orchestra ensembles. The students were selected based on their performances at the Texas Music Educators Association (TMEA) Area F Auditions and they will perform in the All-State ensembles at the TMEA conference in San Antonio on February 15. This places them in the top 2% of music students in Texas. The students advanced through rigorous district, region and area auditions competing against students from Houston and the surrounding area. Congratulations to these outstanding young adult musicians we couldn't be more proud of them!

Congratulations to all our All State music students
