

Dual Language offered to Humble ISD kindergartners

Humble ISD provides a special opportunity for children who will attend kindergarten next year.

“If you live in Humble ISD and your child will begin kindergarten this coming school year, there is a program to help prepare your child for success in the 21st century global village,” said Chandra Elizando, director of bilingual/ESL and languages other than English. “Imagine the possibilities opened for a child that is bi-literate, bilingual, and bicultural.”

Parents of children starting kindergarten in Humble ISD next fall are invited to attend an informational meeting for the two-way dual language Spanish program. The meeting will take place at 5:30 pm on Thursday, April 3rd, at Humble Elementary School. The address is 20252 Fieldtree Drive.

The Dual Language Program teaches Spanish and English to native and non-native speakers of English in a mixed group setting through literacy in the core content areas. The Dual Language program at Humble Elementary provides 50% of instruction in Spanish and 50% of instruction in English. The goals of the program are to develop students who are bilingual, bicultural and bi-literate.

Refreshments, door prizes, and free child care will be available. Learn what to do now to give your child the gift and benefits of a second language.
