

HHS Wildcats are honored for Good Sportsmanship

The Humble High School Wildcat Football Team won 1st place in the Greater Houston Referees Association's Sportsmanship Awards.

The Greater Houston Referees Association rates teams on actions of the players, actions of the coaches, actions of the support groups, number of personal fouls, number of unsportsmanlike penalties and respect for the America flag. The referees mail in postcards after each game to the Houston Touchdown Club, and the Club's accountant tallies the votes to come up with 15 finalists.

In Class 4A, the finalists were: Angleton, Barbers Hill, Dayton, Friendswood, Galena Park, George Ranch, Humble, C.E. King, Milby, Reagan, Santa Fe, Spring Woods, Summer Creek, Terry and Willis.

"It's a tribute to Coach West, his staff and the student athletes who comprise the varsity football team," said HHS Principal Charles Ned. "It's also a testament to our support groups such as Cheer, Wildcat-dets, Yearbook and Band in the actions displayed throughout each competitive contest. I congratulate all our Wildcats on a job well done!"
