

## Humble ISD registering for 2013-2014 kindergarten classes

Humble ISD schools have announced dates to register for 2013-2014 kindergarten classes. Many schools also have scheduled open houses, or Kindergarten Roundups, in April and May to help parents learn about the kindergarten program. Students must be 5 years old or older on Sept. 1 to be in kindergarten. After-school care is available for a fee at all Humble ISD schools through the Lake Houston Family YMCA. Aug. 26, 2013, will be the first day of school.

Parents who are new to Humble ISD will need to register their student via [Online Enrollment](#) for New Student Registration. After enrolling online, parents will need to bring the following documentation to the campus to complete the registration process: Official birth certificate, proof of residency shown by a 30-day current electric, gas or water bill, or an apartment lease listing the student(s) name, child's social security card, immunization record and the parent's drivers license for identification.
