

Your child's health and well-being are important to us.

If your child has any new medical issues you did not include on the annual update at the start of school, please contact the school nurse.

Please also take a moment to update your contact information. Log in to Home Access Center (HAC) at <https://eshac.humble.k12.tx.us/homeaccess/> and click the "Registration" button. You may change contact phone numbers by clicking "Edit Information," but home addresses must be verified. If an address change is needed, take proof of residence to your campus registrar.

For specific contact information, please go to your school's website through www.humbleisd.net.

Thank you!
