

# North Belt Elementary Playground Dedication Ceremony

North Belt Elementary celebrates their new playground with a dedication ceremony. School administrators recognized their donors and celebrated the completion of North Belt Community Park. The North Belt choir sang, “We’re All in this Together” from Disney’s High School Musical. Afterwards the donors were presented with plaques thanking them for making this day possible. Some of the contributors included Harris County Community Services, El Dorado Utility District, Humble ISD Education Foundation, North Belt Elementary PTA, Joiner Architects and the teacher who wrote the grant Andrea Barela.
