

## Humble ISD Superintendent's Student Advisory Council

The Superintendent's Advisory Council is made up of Humble ISD's "Students of Character." Annually each middle school selects one boy and one girl at the end of 8th grade who best exemplifies good character traits. Those students are then inducted into Dr. Sconzo's Student Advisory Council. Members of the council are active participants throughout their high school years.

The Superintendent's Student Advisory Council, which meets throughout the school year, provides a forum for Dr. Sconzo to address topics such as graduation requirements, school culture and climate, and college/career readiness. Included in these council meetings are Director of Student Support Services Lesa Pritchard, Chief Academic Officer and Deputy Superintendent Tommy Price, and Coordinator of Affective Education Matt Smith. Dr. Sconzo updates the council on what issues have been addressed so the students are aware of changes they are helping make in their schools and in the district.

Students serving on the Council include:
