

WILLOW CREEK ELEMENTARY CELEBRATES 25TH BIRTHDAY!

It was a great day to be a Willow Creek Cardinal! Students, faculty, parents and former employees celebrated the school's 25th birthday on Mon., March 3. The school's original principal, John Widmier, made a special appearance to speak to the students about what Willow Creek was like 25 years ago. Each grade level also contributed an item to place in a time capsule to be opened during WCE's next milestone anniversary, and the entire school had a blast producing a [lip-dub](#) to the song "Best Day of My Life" by American Authors.
