FALL FEST

Friday, OCTOBER 29

5-8pm

Fall Fest is the Bear Branch Elementary PTA's largest fundraiser of the year. The PTA provides a fun, family event for our students, families, and the whole community!

Why We Have Fall Fest

Fall Fest has become a fun Bear Branch tradition. BBE alumni come back to help and volunteer long after leaving our school. We also use this event to raise funds. The PTA provides programs and technology and classroom needs by supporting our administration with funds that are not provided by Humble ISD. With proceeds from 2019's Fall Fest, we were able to support our teachers while they taught from home with supplies for virtual learning, online subscriptions to Go Noodle, Scholastic, Generation Genius. In the past we have purchased STEM Maker Stations for the library, two new robots for the Ecobot Challenge club, software licenses, Scholastic magazines, Rekenrek math magnets, toner/ink for printer, kindergarten two-sided problem-solving dry erase boards, 17 Chromebooks, and so much more! We are also able to provide supplemental programs, including author visits, art enhancement programs, field trips, Reflections program, 5th grade activities, Arts in Education, Science Fair, and K and 1st grade science labs, just to name a few enrichment programs. We are grateful for all of the families and community members that come out every year.
