

Frequently Asked Questions

Q Will my child be expected to wear a mask at school all day?

A: Yes, all 4th and 5th graders are expected to wear one at RCE; we will follow the Governor's orders that are in place including requirements for masks and/or face shields. If there is no requirement, families will decide what is best for them. All staff and students are welcome to wear as much Personal Protective Equipment (PPE) including masks, gloves, face shields or scrubs, as they choose. The Governor's current mask order exempts children younger than 10. If a child has a medical issue that makes it impossible for them to wear a mask, please work with your building nurse.
