

Student Google Sign-In from Home

1. Go the district or school website and choose the students tab.

2. Choose MyHumble.

3. Once you choose MyHumble it will prompt you to put in a username and password. This is the students' computer login (id#/computer password). When you have entered this information and logged in you will be taken to the following screen. From here students will choose which program they need to go to. When they click on the icon it will automatically take them into the program.

***Programs are listed in alphabetical order.**

~Google Classroom is the chalkboard in the middle of the screen.
