

HUMBLE ISD Student log in details for the **McGraw-Hill ConnectED**

The online resources can be accessed at the **McGraw-Hill ConnectED** website

<http://connected.mcgraw-hill.com/connected/login.do>

This link can be accessed by teachers, students, and parents on the student links page on the Humble ISD district website by clicking on the McGraw Hill Icon.

Student username and passwords

- Student User ID: Student User ID will be **hisd+Student ID number**
 - For example for student **Crispus Attucks** the user name would be "**hisd351770**"
- Student Password: A student will use their **Novell Password** as their password for digital textbook access.
 - For example student **Crispus Attucks** password would be "**cratt1770**"

- **Novell password is changed annually, so be sure to use the current novell password.**

Digital Textbooks Assignments are assigned to students when they are enrolled in the course by the campus, and may take 24 hours after enrollment for digital access.

- For those courses that the student is enrolled, access to the digital textbook will be available on ConnectED.
- Click on the picture of the textbook, To-Do, My Files or Messages to access desired digital instructional materials for each course.

The screenshot shows a digital learning platform interface. At the top, there is a navigation bar with the 'networks' logo and a search bar. Below the navigation bar, the main content area is titled 'United States History to 1877, Texas'. The interface is divided into several sections: 'Skills Builder' with a 'My Assignments and Projects' tab, 'Assignments & Projects (0)', 'Resource Library' with 'Graphic Organizers, Tools, and Templates', 'Messages (0)', 'Skills Builder' (listing '21st Century Skills', 'Critical Thinking Skills', 'Geography Skills', and 'Building Projects and Presentation Skills'), and 'Test Prep' (listing 'Building Test Taking Skills' and 'Rubrics'). The interface features a dark blue header, a white main content area, and a dark blue footer. There are also several yellow and blue buttons and icons throughout the interface.

Students will access to the digital instructional materials for courses in which they are enrolled.
