

2020-2021 Syllabus

Humble High School

Geometry

Teacher: Coach Southall

Room: Floater

Conference Period:6th

Email: daniel.southall@humbleisd.net

Tutorials: Wednesdays 3:00pm - 4:30pm

Any other day by appointment only

Course Overview: We will utilize Schoology and various online resources to master Geometric concepts in Geometry this year. This is new for everyone but together we will aid each other in becoming successful at mastering the various concepts and objectives designated by the state of Texas.

Materials needed for my class are:

Needed	Suggested
Pencil	Folder
Notebook/ Spiral	Glue stick
	Colored Pencils/ Markers
	Scissors

Grading Policy: I will take 2 daily grades a week and 1 Exam grad per 3 week period.

Expectations for Learning:

- Be on time for class.
- Have supplies ready before the bell rings
- Quiet and respectful when others are talking to the class
- Turn work in on time

Cell Phone Policy: Only to be used for school purposes such as Kahoot and Quizziz. Otherwise NO CELL PHONE.

Absences & Make-Up Work: You are required to be present 90% of the time in order to receive credit for any class.

Late Work: You will be given the number of days you were out plus one to complete work from missing class. If your work is late you will lose 5 points per day.

Retest Policy: Retests will be given as a class if needed. If you miss a test you can either take it upon returning to class or during Wednesday tutorials.

Tutorials: If you come to tutorials you are expected to bring in work to complete, make up a test, or have a topic you need help with. Tutorials are not play time, a place to chill, or an extra class. It is time for you to get individual help you may not have gotten during regular class time.
