

To the wonderful employees of Humble ISD,

The Robbins Family has been active in the Humble Community for 92 years. Each year, we support various district efforts such as the Humble ISD Teacher of the Year cash prize, Presenting Sponsor of the Humble Rodeo & annual buyer at the Livestock Auction. You'll also find us attached to various athletics and other nonprofits and organizations in the Lake Houston Area.

I hope it's apparent that our family believes it is important to give back to the community that supports us. We couldn't support our community...without the support of our community!

A few years ago, we began offering discounts to employees of Humble ISD. How better to support the district's students than by taking great care of those who make their education possible? The discount varies by manufacturer and by whether the vehicle is new or pre-owned purchase. I'll detail them below but please contact me with questions or for more information.

We are proud to partner with Humble ISD and hope we get the opportunity to sell or service your vehicle soon.

Please feel free to contact me via any of the methods below.

Respectfully,

Chelsea Robbins McGhinnis (KHS C/O 2005)

Vice President
