

How to Change your Password in MyHumble

If you forgot your current password, please contact your teacher or campus to have your password reset.

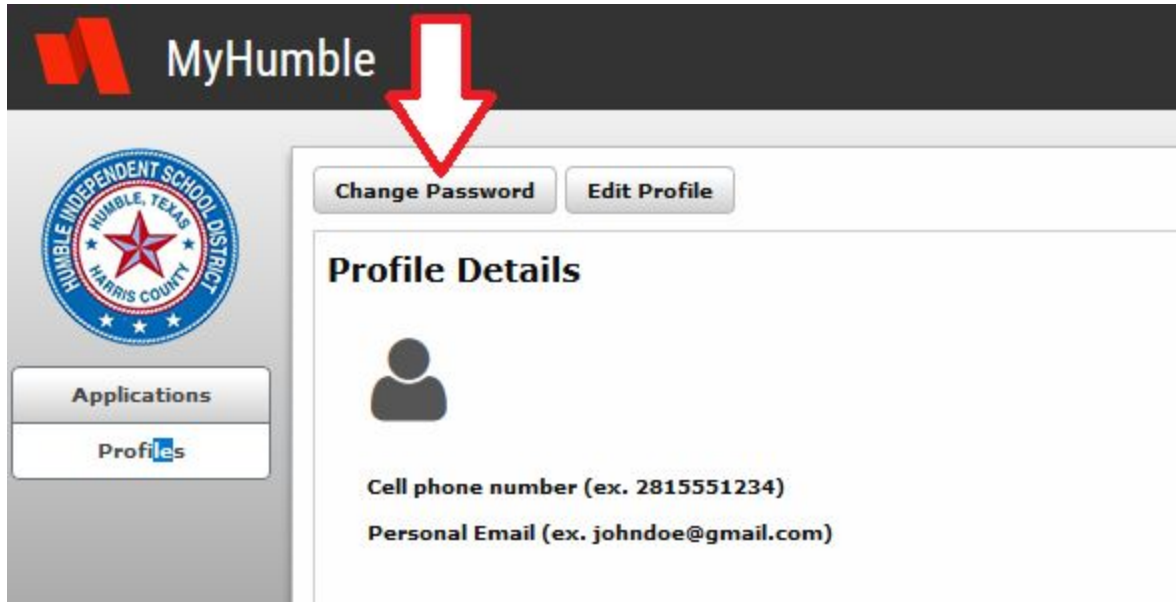

1. Go to my.humbleisd.net and sign in using your username and current password.

2. Click on the **Profiles** button after you sign in.

3. Click on the **Change Password** button after clicking on the **Profiles** button.

4. Enter your current password in the field under **Your Current Password** and then type in a new password in the fields under **New Password** and **Confirm New Password**. Once done, click on the **Save** button.

The image shows a 'Change Password' dialog box. At the top left is the title 'Change Password' and a close button 'X'. Below the title is a note: 'Minimum of 8 character password'. There are three input fields: 'Your Current Password', 'New Password', and 'Confirm New Password'. Each field has a small eye icon to its right, indicating a password visibility toggle. At the bottom right of the dialog box are two buttons: 'Save' and 'Cancel'.
