

## How to Login to My Humble at Home

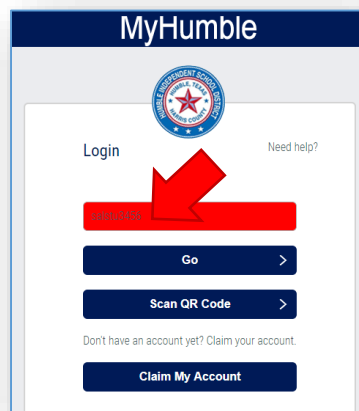

1. You must use the Chrome web browser

2. Go to my.humbleisd.net

3. Enter in your user name

- a. Student User Names are the first three letters of the first name, first three letters of the last name, and last four numbers of the Student ID
  - i. Example: Name- Sally Student with student ID 123456
  - ii. Login- salstu3456

The image shows the MyHumble login page. At the top, there is a dark blue header with the text "MyHumble" in white. Below the header is a white box containing the login interface. On the left, it says "Login" and on the right, "Need help?". In the center, there is a red input field with a red arrow pointing to it. Below the input field are three dark blue buttons: "Go" with a right-pointing arrow, "Scan QR Code" with a right-pointing arrow, and "Claim My Account". At the bottom of the white box, there is a link that says "Don't have an account yet? Claim your account." The MyHumble logo is visible at the top of the white box.

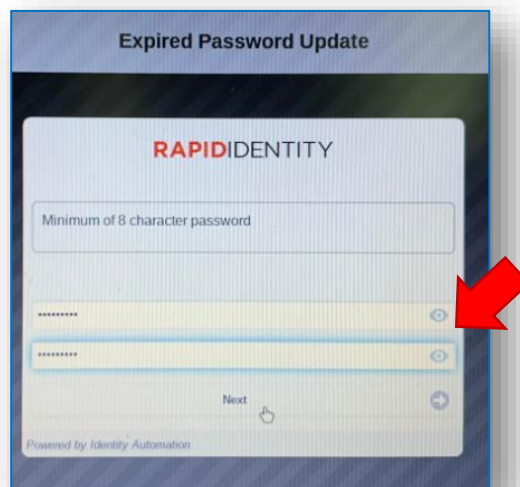

4. Enter in your password

The image shows the MyHumble password entry page. It has the same dark blue header with "MyHumble" in white. Below the header is a white box containing the password entry interface. On the left, it says "Login" and on the right, "Need help?". In the center, there is a grey password input field with a red arrow pointing to it. Below the input field are two dark blue buttons: "Go" with a right-pointing arrow and "Start Over" with a circular refresh icon. The MyHumble logo is visible at the top of the white box.

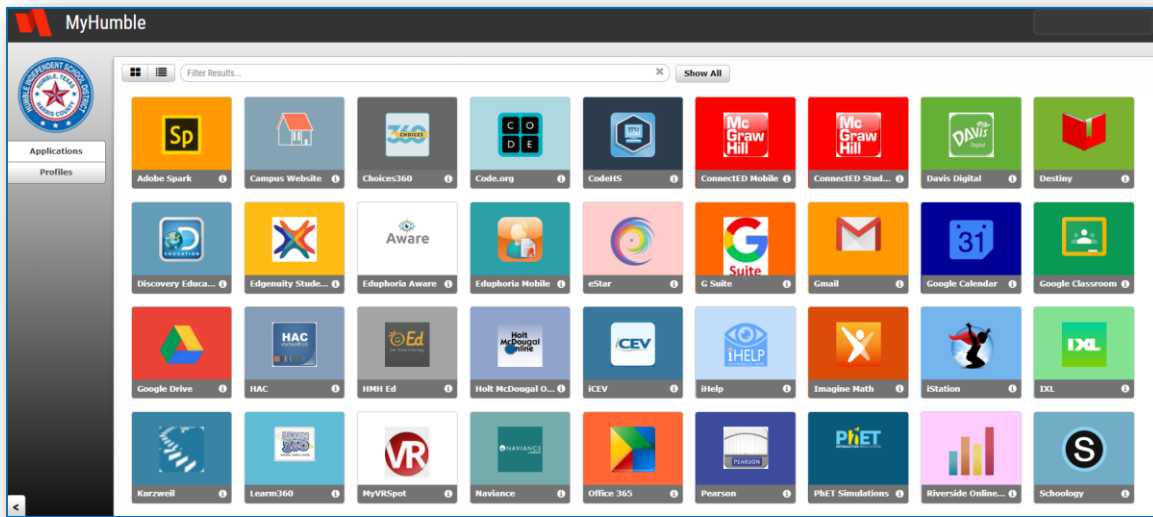

- a. Elementary students- please contact your teacher if you do not know your password
- b. Middle and High School Students- you set up your own password when you used computers at school.
  - i. If you have forgotten your password or it is not working and you double checked you are using Chrome, please let your teacher know.
- c. If your password was reset, enter in the temporary password provided by your teacher.
  - i. You will then be prompted to change your password
  - ii. Click on "CLICK HERE to change your password"

- iii. Your new password must be 8 characters long
- iv. You will type in the new password twice
- v. Click "Next"
- vi. If successful, click on "Close"

- vii. You will be returned to the MyHumble Login Window
  - viii. Enter in the password you just created and click "Go"
5. You will now see your My Humble App Dashboard
- a. Most apps will automatically log you in when you click on them
    - i. If you reach a screen that asks for you to enter in your personal and cell phone, please complete that section and click save to get to the next screen
    - ii. If the "save" button is not appearing- please maximize your screen and click the "tab" button. The save button should now appear to click and move to the next screen.

6. Under "Profiles" on the left, you will see your details and are able to change your password at any time.
- a. Please make sure you are making a note of your password any time it is changed.
