

Dear Parent or Guardian,

Welcome to Schoolology!

The Humble ISD DAEP is now using Schoolology (pronounced: Skool'uh-jee), an award winning Learning Management System that offers course management, mobile learning, and a communications hub, all in one integrated platform!

With your parent account you can view your child's:

- Activities
- Courses
- Calendars
- Groups
- Updates

You can set up your parent account by:

1. In your browser, navigate to www.schoolology.com.
2. In the top right corner of the screen, click the Sign Up button.

3. Select Parent from the options.

Sign up for Schoolology

4. Retrieve your access code from HAC ([HAC Directions](#)). Enter that code here:

[Back](#)

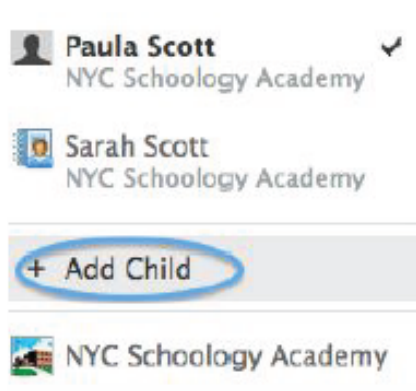

Enter the access code provided by your child's instructor

5. Enter your name, email address, and password. Once you log in, you'll be able to browse your child's activities by selecting your child's name from the top right dropdown.

The image shows a registration form on the left and a user account dropdown menu on the right. The form includes a 'Sign up for Schoolology' header, a 'Back' link, a reference code 'KJ4-TSX-39D', and input fields for first name ('Jane'), last name ('Doe'), email ('name@example.com'), and password (two masked fields). A checkbox for 'Receive periodic Schoolology updates' is checked. A blue 'Register' button is present, with a note: 'By clicking Register, you agree to our Privacy Policy & Terms'. The dropdown menu on the right is titled 'Paula Scott' and lists 'Paula Scott NYC Schoolology Academy' (checked), 'Sarah Scott NYC Schoolology Academy', '+ Add Child', 'NYC Schoolology Academy', 'Notifications', 'Account Settings', 'Privacy', 'Recycle Bin', and 'Logout'.

You also have the option to associate additional children using Schoolology with this account. To associate additional children, click on the down-facing arrow on the top right of your Schoolology account, select Add Child, and enter the Parent Access Code for your other child/children.

Schoolology Mobile App

Schoolology also has a convenient mobile app that can be downloaded and used on mobile phones, tablets, and iPads! This app can be found in the [Google Play](#) and [iTunes](#) stores.
