

Learning Recovery

In an effort to support student achievement, a learning recovery unit has been created for your child. This unit provides a structure for your child to revisit essential skills and concepts from the first grading quarter and complete learning tasks from missed learning opportunities.

- To receive access to the unit, we are asking for you and your child to complete the intent & feedback form below.
- Once the intent form is received, you will be contacted by Ms. Brinkley or Ms. Hindberg to receive the learning recovery unit.

- Mr. Koehler will host three different opportunities for parent Q&A on Zoom. You are encouraged to attend one of the sessions.
- If you have any questions, please contact Ms. Brinkley or Ms. Hindberg at:
