February 2019

Dear Fine Arts Patron,

Preparations for the 17th Humble ISD/Lone Star College-Kingwood Fine Arts Festival are under way and we are very happy to be returning to our home base at Lone Star College Kingwood. Lone Star has beautiful, refurbished and renovated facilities they graciously share with us for this wonderful family day of fun immersed in the arts.

This incredible “FREE” event offers children and adults a wide variety of opportunities to actively participate in art making, creative movement and dance, view student musical performances and student art exhibits. The success of the event is due to the work of our “**volunteer community**” and the very generous support of our area **businesses, organizations and individuals**.

To ensure a successful outcome and the continuation of this community event we are asking for your support. Over the past fifteen years corporations, small businesses, individuals, local and district organizations have generously donated services, products, and funds. This support helps provide materials, awards and supplies for the festival so that it can remain a day of free family fun!

This year there are several alternative ways you can support this family oriented fine arts event. In addition to or in place of donations of products and services you can choose to contribute through two levels of sponsorship:

- **Gold: \$250.00 Sponsorship includes- your name on all festival advertising/PR, and festival program. Donations received AFTER April 19 cannot be included in the program.**
- **Silver: \$100.00 Sponsorship of an Art Creation Station with your name on the booth and in the festival program. Donations received AFTER April 19 cannot be included in the program.**

Sponsorship offers your company/organization the opportunity to have a presence in one of our community's major cultural events and could be tax deductible (please consult with your tax professional). Last year over 7,500 children and adults attended and participated in the festival.

Thank you very much for supporting the Humble ISD/Lone Star College-Kingwood 17th Annual Fine Arts Festival. We really hope you will take the opportunity to attend and enjoy the event your generosity has made possible.
