Community Health Services

Legacy Community Health Services operates four community health centers in Houston to provide quality, compassionate healthcare in a culturally sensitive and judgment free environment. Our comprehensive healthcare services include adult and adolescent medicine, pediatrics, maternity, behavioral health, eye care, dental care, family planning, HIV/AIDS specialty care, and many education and wellness services. Legacy's team of healthcare professionals – physicians, nurse practitioners, psychiatrists, psychologists, ophthalmologists, optometrists, social workers, counselors, nutritionists, and nurses – provide services to meet the needs of each patient regardless of age, sex, race/ethnicity, sexual orientation, gender identity, or ability to pay.

**We accept Medicaid, Medicare, CHIP, CHIP perinatal and most health insurance plans.**

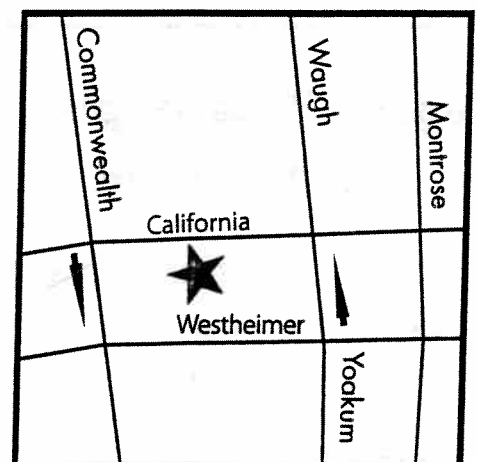

**We offer sliding-fee scales based on income for those without health insurance.**
