Hi, Parents! We're ready to kick off the WCE BOOSTERTHON. On Sept. 10th, our 2-week fundraising program will begin, and we are so excited! We'll start with a Pep Rally, and then your family will have time to get pledges. At the end, every student will participate in the WCE Fun Run! This year, our goal is to raise \$30,000 for technology and other updates, and we need EVERYONE'S help! Please begin thinking about friends and family who could pledge your student for the WCE Fun Run. We want this to be fun and easy for everyone, so think of others who can support your student as they run laps to help our school. Look for a Pledge Book to come home on Sept. 10th, with more information. And don't forget to save the Fun Run Date—Sept. 19th—on your calendar. You're invited to come out and cheer on our students! More details to come. Thank you for supporting WCE and have a great day!

Grandparents are Great!

Grandma, Grandpa, Mama, Papa!!! We love our grandparents. Please join us on Friday, September 6, for a Grandparents' Luncheon. Please email mcarrig@humbleisd.net and tell us how many guests will be attending. Please provide us the attendees' names so we can speed up your entry process. You can pay for lunch on that day, but we want to be able to plan appropriately. We will be running an extended lunch schedule that day so that everyone will have plenty of time to celebrate this special day. ***Bring your cameras. We have added a photo booth to take pics of these great memories!

Safety First!!!

As you are aware, the safety of our students is our highest priority. We had our first fire drill today and will be practicing a Lockdown drill next week. Our district Police Department is partnering with local law enforcement agencies to provide additional support for our schools. You may see Houston Police Department vehicles in our parking lots and may also see some officers walking the building with our administrators. We are all working together to provide the safest environment for your children.

CARPOOL-ETIQUETTE:Á

-Please do not park on the school-side on Hidden Lakes or Beaver Falls and park only going south on Tawny Oaks.

-Please do not use your cell phone when in a school zone.

-Please remind your child to be careful when crossing a street and to be respectful of the property of others.

Please use crosswalks and not cross between parked cars.

Walk your bikes!!!

The safety of our students is very important. Many of our students are bike riders. In order to keep all ages safe, students must walk their bikes when they get on school property. Thank you.

Our school year is starting! It is August in Kingwood, so that means is HOT! Please be sure you send your child a water bottle every day. Hydration is important! I also need you to check their special's schedule and be sure they have tennis shoes on for PE. I want every child to be able to participate and be safe! Looking forward to a great year! Mrs. Trigg
