

# Live with health at hand

iTriage® puts you at the center of your healthcare so you can make decisions with confidence.

### Find answers to medical questions

- Check symptoms, conditions, procedures and medications
- Take the appropriate action for you

### Connect with medical providers

- Locate nearby doctors and facilities that are right for you
- View doctors and facilities that accept your Aetna insurance\*
- Make appointments, check-in to facilities and see ER wait times

### Manage your health information

- Save your medications, appointments and preferred doctors
- Connect your Aetna insurance to view your claims history and member ID card\*

\*Available to TRS-ActiveCare medical plan participants.
