

ATHLETICS CHECKLIST 2021

We would like to welcome you to the RMS Athletic Program. Yes, we are already planning and getting ready for next year. Even though the school year is not yet over, we are excited and ready for next year. We are ready to start planning and training to compete and have fun next year.

We would like to encourage you to join Riverwood Athletic Booster Club. They have purchased many pieces of equipment for our program, as well as, helping us maintain our volleyball and basketball courts and track equipment. They also are responsible for organizing and putting on the fall spaghetti dinner, the 8th grade fun day, and our athletic recognition nights. See the link below.
