2015-2016 Scholarship Application

The mission of the AHS All-Sports Athletic Booster Club is to provide financial support for the full range of Atascocita High School sports programs. We recognize the value of athletics, and promote academic success through athletic development. In order to promote Atascocita students beyond high school the club has set up the Atascocita High School All-Sports Athletic Booster Club Scholarship. Each year the club will accept applications from senior varsity athletes. Scholarships will be awarded on the basis of outstanding moral character and work ethics displayed during their years at AHS in the areas of academics and athletics.

Selected students will receive \$1000.00 scholarships based on applications which take into account leadership, athletics, academics and a short essay. All scholarships will be paid directly to the school the athlete will be attending and comply with all NCAA guidelines. One scholarship is available to a deserving athlete from a Booster Club recognized varsity sport. The AHS All-Sports Athletic Booster Club will award the top five girl athletes and the top five boy athletes with a scholarship.
