Internship		0.5	
Totals QECHS Credits		5.5	
Total Possible College Credits		23-29	

Cumulative QECHS Credits	26+
Cumulative College Credits	up to 61

Student schedules are very similar in 9th and 10th grade except for math and foreign language placement. Student schedules vary greatly at the 11th and 12th grade levels.
Courses listed in Bold and Italics will be taken at Lone Star College with LSC Instructors

D=Dual Credit Course
 PAP=Pre Advanced Placement
 *Course placement may vary due to high school math or foreign language credits earned in Middle School or readiness through college placement testing.
 LSCK Courses may be taken in sequence other than shown with counselor approval depending on readiness, testing, prerequisites, and degree plan.
 ^^Working with Lone Star to develop a Special Topics Course related to historical social movements.
