9th grade students coming in with high school credit will have more flexibility than the above plans suggest.

Keep in mind that you can complete some courses through alternative ways such as online classes to give more flexibility to your schedule. See your counselor or Mrs. Robison for more details.

Make sure that the endorsement you choose fits your needs. You can change your endorsement at any time, but the sooner the better. See your counselor or Mrs. Robison for more details.

AP Music Theory is a great course to boost your GPA with something you love. Consider taking it if you have additional room in your schedule! It's only available to 10-12 graders who are in band, choir, or orchestra.
