EcoBot Application – Due Tuesday, Oct. 17th

Student Name _____ Homeroom teacher _____

* Return form to your homeroom teacher or email to Mrs. Wilkes or Mrs. Robinson.

What is your availability after school? We will have Ecobot Club *every* Thursday from 3:30-4:30. You **MUST** be able to attend every week to the best of your abilities.

_____ Yes, I have no other activities on Thursday after school before 4:30, so I will be able to come to all meetings.

Are you available to compete with your Ecobot Team all day on competition day? The date has not been released but it was in April last year. It is an all-day event.

_____ Yes, I can attend the contest to the best of my knowledge.

Letter of Application

Why do you WANT to participate in the EcoBot Challenge? What do you have to OFFER to an EcoBot Team? What qualities do you have that make you a team player? What do you want to GAIN from your participation in EcoBot? Do you have any previous experience with robotics? Use the back of this form if you need to. **Remember, this is not a Lego club.**

Applications are due to Mrs. Wilkes or Mrs. Robinson by Tuesday, October 17th. Club members will be notified by Friday, October 20th. Our first meeting will be Thursday, November 2nd in the new computer lab. Current academics and behavior are a factor in the decision. Please be aware that there are limited spots due to the fact that we only have a limited number of robots & resources. We will only be able to accept 8-12 students into the program. Please make sure you are able to make the time commitment.

Many after school hours will be required as well as an all-day Saturday event for competition. Closer to competition dates, we often practice daily & until well after 5pm.
