2018-2019 School Year

Attention Parent(s) or Guardian(s):

Your student has requested to check out a textbook for one or more courses. All students have access to on-line textbooks for core courses. Students also have access to class sets of textbooks in many of their core classes.

For those students wishing to check out an individual textbook for home use, please read and sign the following agreement:

1. Textbooks are assigned to the student’s ID number. The accession number of the textbook is only linked to the ID number of the student.
2. All textbooks must be returned before the end of the school year to avoid fees / fines.
3. All textbooks must be turned in for students to exempt their final exams in the spring.
4. Textbooks for one-semester courses must be turned in by the end of that semester.
5. Textbooks for pre-AP, Dual, and AP courses must be turned in before a student can drop that course during the semester.
6. Textbooks should be turned in before withdrawing a student.
7. Students are responsible for making sure the textbook is turned in to the Gold 2 office (do not leave them with teachers or others to turn in for you.) Receipts will be provided upon request.
8. Students / parents accept financial responsibility for any and all textbooks checked out to the student that are damaged, destroyed, lost, or not turned in by the end of the school year.
9. Book fines follow students until cleared. Book fines can effect student registration at Flight School, and students will not be allowed to check out other books or pick up their diploma until cleared.

Please fill out the following information and return to the Gold 2 Office for textbook checkout after school begins.
