

MARCH 23-27 3-5

You can just use pencil and paper for all the drawing activities, but if you have crayons, markers, etc.... feel free to flourish!! Have a great time, add as many details as you would like! If you want, send me a picture of your creations to lynn.bennett@humbleisd.net or tweet it to me @MsBennettArt. Have fun, be safe and be well!

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
<p>Draw yourself doing your favorite thing, in your favorite place, with your favorite people!</p> <p>Don't forget your pets!!</p>	<p>Create a sculpture using items located around your home.</p> <p>Combine several kinds of items: cereal boxes, soup cans, cards.....</p> <p>(Be sure to ask your parents for permission before using the items)</p> <p>Get creative!</p>	<p><u>WEB WEDNESDAYS:</u> Take a walk on Mars! Thanks to NASA's Curiosity rover, you can explore the surface of Mars in a 360-degree view while learning about space exploration. https://accessmars.withgoogle.com</p> <p>Afterwards, create your own planet! Create aliens that live there and the foods they eat! Give your planet a name.</p> <p>OPTION: write a short story about your planet and aliens</p>	<p>Read a story or think about your favorite book.</p> <p>Create illustrations for your favorite characters or parts.</p> <p>OPTION: Put characters from different stories together in new situations!</p>	<p><u>ARTIST FRIDAYS:</u> Learn about the cool dessert artist, Wayne Thiebaud!</p> <p>https://www.youtube.com/watch?v=H1p65qog__Y</p> <p>Draw a pop-tart, donut or your favorite breakfast food lifting weights! What kind of pop-tart/donut is it? And who would be his workout partner? If you could create a new flavor, what would it be?</p>

Here are a few terrific online art sites to enjoy.
