\*Unspent assignments are items that have been approved and allocated by the Board but not expended during the year. At the end of each budget year, there are funds that have been budgeted to departments for specific projects that were not completed by year end. Following year-end closeout, the finance department reviews those unexpended funds and the related projects with the departments to determine if those funds are still needed. This amendment reallocates funds for those 2018-19 projects that are still in process.
