

LIFELONG LEARNING

We believe all students are lifelong learners who deserve opportunities for ongoing growth

We provide:

- Humble ISD teacher support on the LSC-K campus for adult learning
- Training on finding & signing up for adult learning activities
- Communication & social skills training
- Executive functioning training
- Self-advocacy skills training

Within our Lifelong Learning domain, we provide staff and services at Lonestar College Kingwood for students on 3

Strategies

Mosaic support in finding, enrolling and taking courses that meet academic or degree plan goals

Civic Engagement

Mosaic support in finding, enrolling and taking courses that meet leisure and learning goals

College Experience

Mosaic support in social skills to be an active member of a college campus including clubs, campus events and our grant funded Garden Project

Humble ISD's Innovative Transition Program for students ages 18-22

Mosaic is a program offered through Humble Independent School District's Special Education Department and is located at:

Cambridge School
18901 Timber Forest Dr.
Humble, TX 77346

About Mosaic

Mosaic serves Humble ISD students in special education between the ages of 18-22 that have completed all of their state testing and graduation requirements.

In the Mosaic program, students work on self-advocacy and learn to become more independent based on education plans in the following 4 different domains:

Independent Living

Employability

Rec and Leisure

Lifelong Learning

INDEPENDENT LIVING

We believe all students can create goals & gain skills necessary for a fulfilling adult life

We provide:

- Practice with life skills in three full 'mock' apartments
- Budgeting practice according to personal goals
- Safety & emergency training
- Cooking, cleaning and shopping weekly

EMPLOYABILITY

We believe all students are capable of productive, fulfilling employment

We provide:

- Hard & soft skill training for employment
- Skills for job search
- Social skills training for the work setting
- Real world experience including job shadowing, internships & assistance for obtaining paid employment or volunteer opportunities
- On site job training in pro-

RECREATION & LEISURE

We believe all students deserve a robust & healthy natural support system of family & friends

We provide:

- Social skills training using research-based curricula
- Safety training regarding social media and internet
- Support & training in finding & maintaining meaningful, healthy relationships
- Training on finding & signing up for social or leisure activities in local community
