

Kroger in Kingwood is proud to be in partnership with Riverwood Middle School through their **Kroger Community Rewards program**. RMS receives 1% of the total purchases each quarter for members who link their Kroger Plus Card to our RMS account. This is a super easy way for Longhorn families to help raise funds for all the “extra” things we provide our students every day. Please sign up today by following these [directions](#) using the **Kroger Plus Number 80487**. **If you have already linked your card in the past, you must RE-LINK again each year** for our school to receive your donation. Each and every dollar is greatly appreciated!
