

Randalls Food Market and Pharmacy in Kingwood

is proud to be in partnership with Riverwood Middle School through their Good Neighbor Program. RMS receives 1% of the total purchases each quarter for members who link their Randalls Remarkable Card to our RMS account. This is a super easy way for Riverwood families to help raise funds for all the “extra” things we provide our students every day. Please sign up today using the **RMS Good Neighbor Number 4008**. **If you have already linked your card in the past, you must RE-LINK again each year** for our school to receive your donation. Each and every dollar is greatly appreciated!

Clip out the card and take it with you to the store as your reminder of our organization's Good Neighbor Program account number to fill in on your Remarkable card application.
