

What is 'KINGWOOD'S GOT TALENT'?

...only the coolest, most unique fundraiser that's ever hit Kingwood!

1. Fundraiser.

All money raised will go to the L3 Foundation.

The L3 Foundation will use this money to help other children and their families who are fighting childhood cancer and to help fund research (find a cure,) just as Landon requested.

2. Entertainment and Family Fun.

This event will run like a TALENT SHOW showcasing some talented youth from our area.

If you want to be a spectator,
We welcome you!

For a small fee there will also be
interactive events for audience members!
