Humble ISD Offers Free and Reduced-Price Meals at School 2019-2020

Child Nutrition Services announced its policy for providing free and reduced-price meals for children served under the National School Lunch Program according to the current income eligibility guidelines.

Children Household receiving Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF); or Food Distribution Program on Indian Reservations (FDPIR) qualify with a completed application online.

Foster children who are the legal responsibility of a state agency or court are eligible for benefits regardless of the income of the household with whom they reside. Also, children may receive free and reduced-price meals if a member of their household becomes unemployed or if the household income is within the limits of the Federal Income Guidelines as shown on the eligibility guideline chart.

There will be NO paper meal application forms for 2019-2020 unless absolutely necessary. Please come to the Child Nutrition Center located at 1705 Wilson Rd., Building D in Humble and we will be happy to walk you through the online process at our facility. This process is much faster and secure.

It is urgent that families set up a School Café account. When you do this, your student names, IDs, family information will automatically populate the free/reduced meal application! You will get results via email and a letter in the mail. Go to www.schoolcafe.com to set up your account now. You may then **apply for free/reduced meals after July 1, 2019.**

REMEMBER: “4th of July...reapply”

Households **must** reapply annually in order to be eligible for free or reduced priced meals. Families may apply anytime during the 2019-2020 school year. The information households provide on the application will be used for the purpose of determining eligibility and verification of data. Applications might be verified by the Child Nutrition Department at any time during the school year.
