

AHS quarterback named “Built Ford Tough Texas HS Football Player of the Week”

AHS senior Greg Campbell was presented with a trophy on Nov. 8 for being named “Built Ford Tough Texas HS Football Player of the Week.” Only six high school football players in the state are chosen for the weekly honor. Chuck Kramer, Planet Ford Partner and General Manager, presented the trophy to Campbell with an identical trophy for the school. The six state winners are chosen for athletic achievements on the field as well as for outstanding scholarship and community service.

Campbell, who previously played wide receiver, also runs track and is active in his church youth group. “It has been wonderful watching Greg grow at his new position,” AHS Coach Craig Stump said. “He has always known the offense, but never from the quarterback’s perspective. He worked hard all spring and summer and that has paid off. He has a great demeanor for a quarterback, always calm, never rattled. We won a four-overtime game this year and another on the last drive of the game and that’s a great tribute to this fine young man.”

In its eighth year, Ford Motor Company’s Player of the Week program recognizes one player from Class 5-A, 4-A, 3-A, 2-A, 1-A and private school competition on a weekly basis. Players of the Week recognized through the program have included the last two Heisman trophy winners, Johnny Manziel of Texas A&M and Washington Redskins starting quarterback Robert Griffin III, as well as Cincinnati Bengals running back Rex Burkhead, SMU starting quarterback Garret Gilbert, and UT-Austin running back Johnathan Gray.
