

January 17, 2017

Dear Student & Family:

Oaks families we have an opportunity to be a part of the Schlitterbahn's Waves of Pages, a reading program designed to inspire students in grades K-5 to read for fun!!

With your help, your child has the opportunity to earn one FREE admission to Schlitterbahn Waterpark Galveston Island. All they need to do is read for 10 hours (600 minutes) **from January 17- February 24, 2017**. The student will be awarded a free admission to the waterpark as well as a special discount offer for your family.

Here's how it works:

1. You may read to your child, your child may read aloud to you or your child may read alone. It all counts toward the 10 hour goal.
2. Time spent reading for a school assignment does not count toward the 10 hour goal. Reading anything else will count including books (AR), comic books, magazines, newspapers, or online reading.
3. Record the number of minutes your child reads on the attached Reading Log along with the title of their reading material and the teacher's name. You must date and initial each entry to verify that your child completed the reading sessions. Please use additional sheets of paper, if needed.
4. Reading must be completed by the date on the Reading Log. Your child must turn in all signed Reading Log forms to his or her teacher by **February 24, 2017** in order to be eligible for the free ticket.

Admission tickets are valid June 4 – October 8, 2017, excluding Saturdays in July & August at Schlitterbahn Waterpark Galveston Island only.

This program serves as a helpful tool to inspire your child to become part of a new generation of readers. We hope that you take part in this exciting program. It's a great way to motivate your child to read and get ready for a day of family fun at Schlitterbahn!!

We are looking forward to all of our students having a fun day at the waterpark.

If you have any questions, please contact Mrs. Bonnie, school librarian or Mrs. Hensley, counselor.

Thanks
