

Dear Parents,

The 2017 6th grade Field Day is fast approaching with a scheduled date of May 12th. The day of fun is held on the fields of Creekwood, giving the 6th grade students an opportunity to show their talents. With many events ranging from the 100m dash, football punt, Frisbee throw and tug of war, there is something for everyone. Students will sign up for events thru their 4th period class prior to Field day. The PTA will also have events for students to participate in including a rock wall, inflatable obstacle course, disc golf and much much more. For the first time this year, we will have an all day D.J.

Students need to purchase a team t-shirt for \$20. You can click the link below to purchase. The purchase will include their team shirt, an armband which will allow them to have 10 food/drink items and they can participate in the events happening all day.

Please click on the link below and be sure to select a size, and then in the box write your student's name, id number and 4th period teacher. You can look in Home Access if you need help figuring this out.

Shirts must be purchased by Thursday, April 13th in order to have them back in time for Field Day.
