

## **Debt Transparency Pledge**

In an effort to introduce more transparency into local spending and debt obligations, Humble Independent School District pledges to post details about the entity's bond and debt information on the entity's website no later than one business day after the public notice of a bond election. This information will include details about the bond package(s) up for vote and current outstanding debt obligations including bonds, certificates of obligation and other debt, and the date of the election.

Humble ISD further pledges to notify the Comptroller's office via email to [Transparency@cpa.state.tx.us](mailto:Transparency@cpa.state.tx.us) when a bond election information has been posted to the entity's website. The email will include a link to the bond election information.
