

### **Humble ISD District Guidelines for meal charges:**

Parents are strongly encouraged to continually monitor their child's meal account balance. When a student's meal account is exhausted, the student will be allowed to continue purchasing full meals only (not a la carte items) up to -\$20.00.

Payments on student accounts may be made in the school cafeteria daily before school and during meal service times or on-line at <https://www.schoolcafe.com/>.

Once a student's account reaches -\$20.00 the student will receive an alternate breakfast and/or lunch at no cost.

The district will notify parents/ guardians when their child's account is exhausted via School Messenger e-mails.

There is no charging of adult meals.
