

## Leveled Book List

Dear Parents,

The following children's book list gives examples of appropriate leveled readers for you and your child to enjoy. Most of the books are currently 'in print' and should be available in public libraries, book stores, and possibly even as eReaders. Many of the authors and illustrators of the books listed have written and illustrated many other books that young readers would enjoy. It can also be helpful to choose some titles that are lower than your child's actual instructional reading level. Reading these 'easier' books can help build fluency and comprehension while reading. HAPPY READING!!

BOOK TITLES	LEVELS	AUTHORS	PUBLISHERS
Count and See	1	Hoban, Tana	Macmillan
Growing Colors	1	McMillan, Bruce	Lothrop
