

Rainy Day Dismissal

We will use the rainy day dismissal plan on days when it is pouring, and/or there is thunder and lightning. The decision will be made at 2:50 p.m. based on the weather conditions at Whispering Pines at that time. Our procedure will be as follows:

1. All car riders will dismiss to the cafeteria as normal. Please do not exit your car and come into the building to pick up your child. We will be trying to expedite the departure of hundreds of students and need to ensure each child's safety. Please make sure your car rider sign is clearly displayed, so we may call your child(ren) as quickly as possible.
2. Daycare will be dismissed as normal to their hallways.
3. Walkers/Bikers will line up by grade in the front hallway and/or the back of the cafeteria until the weather changes enough to present safe walking/biking conditions. Parents need to communicate with the homeroom teacher any changes in their child's transportation prior to 2:30, if possible.

Please make sure you and your child have a predetermined rainy day plan in place and you communicate these important plans with your child's teacher in advance. As always, we appreciate your support.
