Welcome to a new year of LEARNING!
Superintendent’s View

by Dr. Guy Sconzo

Back-to-school has never been more exciting because Humble ISD students will be making history this year! Beginning with this year’s freshmen, students will be required to earn an endorsement on their diploma. An endorsement is similar to a college major, only broader. Students will be pursuing endorsements in one or more of the following: Arts and Humanities, Business and Industry, Public Service, STEM (Science, Technology, Engineering and Math), or Multi-Disciplinary.

As an educator for more than 35 years, I am thrilled for this new initiative to help students define and achieve their individualized goals. Research shows students are more likely to persist and do well in school when they connect what they are learning to their lives. Diploma plans with endorsements provide that vision when they connect what they are learning to their lives.

Diploma plans with endorsements provide that vision when they connect what they are learning to their lives. Students are more likely to persist and do well in school when they connect what they are learning to their lives.

Our own State Representative Dan Huberty provided tremendous leadership during the last session of the Texas Legislature to help craft House Bill 5, which ushered in this new era of more personalized graduation plans with endorsements. Our students benefit from his leadership in Austin!

Another exciting initiative occurring this school year is a district focus in writing across the curriculum. This summer, all teachers participated in professional development related to engaging students through writing. The workshops involved all teachers, including those in fine arts, career tech, physical education, instructional technology and the library, as well as those in the language arts, math, science, social studies and special education. Writing requires students to think and learn deeply: taking in information, organizing their thoughts, sorting through information and processing it. It is an effective way to teach in every subject.

Humble ISD expects to welcome nearly 40,000 students this school year. With new homes being built in more than 50 neighborhoods, our district is projected to grow to 52,000 students by 2023! But no matter how big we get, our focus will always remain on “the one.” Each child is unique and we are eager to make every student feel safe and valued, enthusiastic about learning, and motivated to do their best this school year. Every student matters. Every moment counts. It’s going to be a great year!

On the Cover
Pictured from left, Woodcreek Middle School students Lane Taft, Evangeline Taft and BreAnna McDonald are excited about meeting new teachers, seeing old friends and learning new things. Woodcreek Middle School is expected to enroll 1,350 students this year. The school is located in the neighborhood of Summerwood.

Humble ISD
Some homes not served by Humble ISD receive this newsletter as a result of postal routes crossing over district lines. To save money, we must mail to an entire postal carrier route.

School hours

Pre-K: Morning - 8 to 11 a.m.
     Afternoon - 12:20 to 3:20 p.m

Kindergarten:  8 a.m. to 1:50 p.m.

Grades 1-5:  8 a.m. to 3:20 p.m.

Middle School: 8:35 a.m. to 3:55 p.m.

High School: 7:25 a.m. to 2:45 p.m.

For middle and high school students, late arrival/early release/campus bell schedules will be announced by the schools.

Early release dates

Elementary Schools
Classes are dismissed at the following times:
Pre-K morning session, 10 a.m.
Pre-K afternoon and Grades K-5, Noon

Middle Schools
Dec. 18, 19 and June 3, 4
Students will be taking final exams. Classes dismiss at 12:30 p.m.

High Schools
Dec. 17, 18, 19
High schools will announce exam schedule and dismissal times.
Dismissal times for End of Year finals will be announced near the end of the school year.
Welcome from the Board to a new year of student success!

by Robert Scarfo, School Board President

“Impossible is un-American.” Those were the words inscribed more than 80 years ago on one of the first school buildings in Humble ISD. That trailblazing spirit remains alive today in Humble ISD. Many of the district’s programs are pioneering new and better ways of serving students. Humble ISD continually attracts positive attention as others seek to mirror the good things that Humble ISD staff, community members and parents make happen here for kids. Here are just a few of the many innovative educational experiences available for students in Humble ISD:

★ Rocket Science – Kingwood High School and Kingwood Park High School have become renowned for their AeroScience Engineering classes in which students design, build and test rockets. Scientists who worked on projects like the Apollo moon landing and shuttle missions attended the students’ rocket launches. Recently, a Texas Tech professor sought to learn more about the high schools’ innovations in operating this college-prep engineering program. This really is rocket science!

And the privately-funded JASON program, designed to encourage students to pursue careers in the STEM fields, selected one of our MS students and teacher as two of only eleven “Argonauts” nationally, to participate in a marine field expedition in the Bahamas this past July.

★ Inclusive Preschool Program – Young children pick up social cues and expand language skills by interacting and making friends. With this in mind, the district launched an Inclusive Preschool Program last year in which 3-to-5 year-old children with identified disabilities attend class with children who are developing typically. The program has been a big hit with parents, who cite well-designed lessons, meaningful learning experiences, and nurturing classroom environments. The district receives funding to offer the program tuition-free to children with identified disabilities who qualify for the program. Humble ISD is a leader in implementing this type of class on elementary campuses. Results are being shared with the Region 4 Early Childhood Advisory Committee.

★ Service Learning – Service learning is a powerful instructional strategy in which young people learn and develop by designing, organizing and participating in meaningful community service experiences. It is a part of the district’s K-12 curriculum. As an example of a service-learning project, Humble High School students created a walk-a-thon and raised funds to purchase 12 new prosthetics for people in developing countries. The HHS students produced and shared materials about their project with other schools so more students could organize walk-a-thons for the charity LIMBS International. The International Baccalaureate Conference of Americas in Washington, D.C. featured HHS this summer because the students’ work was so impressive.

★ Integrated Athletics – Humble ISD launched the Integrated Athletics Program to expand opportunities for students with disabilities to play sports. The Integrated Athletics teams played basketball during half-time of UIL high school basketball games and competed in a tournament. A track and field meet was held in the spring. Students loved all the new experiences: wearing the team uniform, riding the bus with friends, being supported by cheerleaders, the thrill of competition. The program has drawn inquiries from parents throughout the region who heard about how meaningful these experiences were to Humble ISD students and parents.

★ The Mid-West Clinic in Chicago – This international band and orchestra conference accepts only the best of the best. It is considered the Super Bowl for bands and orchestras and attracts more than 17,000 musicians from all 50 states and more than 30 countries. Being selected to perform is such a high honor that an invited group must wait five years before they can apply again for consideration. Atascocita High School’s Orchestra was selected to perform at the 2012 clinic. Kingwood High School’s Orchestra has been invited to perform at the 2014 clinic this December.

Programs drive student success. After all, facilitating student achievement is why the school district exists! In every area – academics, fine arts, athletics, and career and technology – Humble ISD students excel. To showcase just a few of many accomplishments:

• The 2,600 graduates in the Class of 2014 were offered more than $17 million in scholarships.
• Twenty students from Humble ISD made all state choir, band or orchestra last year.
• Humble ISD athletes advanced into post-season play in every sport.

Humble ISD’s reputation for excellence continues to attract families to the area. Since 2004, Humble ISD student population has grown 40 percent and the district has opened 13 new schools. This community’s support of new school facilities means the district is prepared to deal with the growth we are experiencing at this time. However, there will be a need for new schools as the district continues to grow. The latest demographic report indicates Humble ISD will be adding 13,500 additional students over the next 10 years.

As a school board, we are honored to represent such a high-achieving, caring community with a dynamic future. The 2014-2015 school year will be a time for students to continue to shine and achieve. Welcome back to school!

At a recent Board Meeting, School Board President Robert Scarfo commended the Science Olympiad team from Riverwood Middle School for representing Texas in the National Science Olympiad competition. The 32-member Riverwood team finished 21st out of more than 3,000 teams in the nation.
One-stop shopping for school supplies

How will you find time to track down all the school supplies your child needs this fall? Humble ISD and Educational Products Incorporated will give you the chance to get everything in one place!

School supply kits for pre-K through fifth grade contain everything your child needs for the school year. Quantities are limited on a first-come, first-served basis.

The kits will be on sale ONE DAY ONLY: Friday, Aug. 15 from 9 a.m. to 7 p.m. at two central locations.

**Pine Forest Elementary** is located at 19702 W. Lake Houston Parkway, Humble, 77346. Kits are for Atascocita Springs, Bear Branch, Deerwood, Eagle Springs, Elm Grove, Foster, Greentree, Hidden Hollow, Maplebrook, Oak Forest, Oaks, Pine Forest, Shadow Forest, Timbers, Woodland Hills and Willow Creek elementary schools.

**Park Lakes Elementary** is located at 4400 Wilson Road, Humble, 77396. Kits are for Fall Creek, Jack Fields, Humble, Lakeland, Lakeshore, Northbelt, Park Lakes, River Pines, Ridge Creek, Summerwood and Whispering Pines elementary schools.

Cost: Pre-K, $31; kindergarten, first and second grades, $41; third, fourth and fifth grades, $43. Prices include sales tax. Cash, credit cards and checks are accepted. Checks should be made payable to EPI.

Do-it-yourself enthusiasts can get a list online at [www.humbleisd.net/schoolsupplies](http://www.humbleisd.net/schoolsupplies).

Most secondary students get supply lists during the first week of school. Students should bring paper, pencils and pens on the first day of school.

What school will your child attend?

To find what school your child will attend, check our listing of attendance areas by neighborhood or apartment building. Find the alphabetical listing at [www.humbleisd.net/attendancezones](http://www.humbleisd.net/attendancezones).

Get bus schedules

Humble ISD provides transportation for students who live more than two miles from school and for students who must cross a hazardous thoroughfare to get to school. Bus schedules will be posted at each school one to two weeks before school starts and online at [www.humbleisd.net/busschedules](http://www.humbleisd.net/busschedules).

School Meals

By federal law, Humble ISD and all school districts that participate in the National School Lunch and Breakfast programs are being required to raise prices based on USDA’s Paid Lunch Equity requirements.

**Humble ISD’s 2014-15 meal prices**

**Elementary schools**

- Breakfast ........................................ $1.40
- Lunch (no increase) ............................ $2.10

**Middle & High Schools**

- Breakfast ........................................ $1.50
- Lunch ........................................... $2.50
- Sub Sandwich Lines:
  - Middle Schools .............................. $2.75
  - High Schools ................................. $3.00

Adults

- Breakfast ........................................ $1.95
- Lunch ........................................... $3.50
- Sub Sandwich Line ............................. $3.75

Individual Entrée prices will decrease to $1.75 at elementary school and $2.00 at secondary schools. Individual milk cartons will cost $0.60.

Go to [www.humbleisd.net/cns](http://www.humbleisd.net/cns) for more information on school meals.

Free & reduced meals

Humble ISD offers online free and reduced price meal applications.

To fill out and submit an online application, go to [www.humbleonlinemealapplication.com](http://www.humbleonlinemealapplication.com) after Aug. 11. Applications for free/reduced price meals will be sent home at the beginning of the school year. Fill out only one application per household. For information about eligibility call 281-641-8460.

Students approved for free or reduced price meals at the end of the 2013-2014 school year qualify for those benefits for the first 30 days of the 2014-2015 school year. However, once a new application is processed, the eligibility determined by the new application will supersede the previous year’s eligibility even if that is within those first 30 days. Any student who does not have a new application processed by the 30th day, Oct. 6th, will automatically be changed to full pay. Please note that it may take 10 days to process an application.

Services provided for students with disabilities

Humble ISD is responsible for identifying, locating and evaluating all children with disabilities who are in need of special education and related services who reside and/or are located within the school district’s boundaries or attend a private school within the district’s boundaries, even if they are not district residents.

Children who have a disability or who are suspected of having a disability may be referred to Humble ISD through one of the following means:

- For children of district residents, who are school-age (3 to 21), please contact the elementary, middle, or high school that serves your particular neighborhood or location.
- For children of district residents who are below school-age (birth through 2 years old), please contact the Special Education Department at 281-641-8406 or one of the following Early Childhood Intervention (ECI) Agencies:
  - ECI Keep Pace Program at 713-696-2130 (all areas excluding zip code 77044)
  - ECI Bay Area Program at 281-838-4477 (areas with zip code 77044)
- For children who are out of district but attending a private school within the district, please contact the Special Education Office at 281-641-8404.

If you are unsure which school serves your neighborhood, call the Special Education Department at 281-641-8406. All referrals are confidential and the parent, legal guardian, or surrogate parent has the right to refuse services.
Cunningham elected president of regional school board association

Humble ISD school board member Charles Cunningham has been elected President of the Gulf Coast Area Association of School Boards (GCAASB) for the 2014-2015 school year. The association is composed of more than 50 school boards in the greater Houston area to enhance the quality of education for public school children in the Texas Gulf Coast area by providing education and information to local school boards, and creating an opportunity for local school boards to impact legislation affecting public schools.

“The experience that Mr. Cunningham has gained on the local Board of Trustees will benefit all of the students, staffs, and schools in the Gulf Coast Area Association as it is combined on the Executive Board with the experience of trustees from 14 other school districts,” said GCAASB Executive Secretary Jerry Smith. “That leadership will be meaningful!”

Cunningham has served on the Humble ISD School Board since 2007, including as school board president during the 2012-2013 school year. He is chairman of the Board’s Audit Committee and is a member of the Legislative and Program Evaluation committees. Cunningham also serves as a Director for the Texas Association of School Boards (TASB) Local Government Cooperative Board. He has lived in Humble for 20 years and is a Key Accounts Consultant for CenterPoint Energy.

Humble ISD Police Officers recognized by Lake Houston Chamber of Commerce

Humble ISD Trustees Heath Rushing, Angela Conrad, Robert Scarfo, and Robert Sitton stand with Inspector Loraine Robinson and Lieutenant Tanya Stanford after they received the 2014 Peace Officer of the Year award. The Lake Houston Area Chamber of Commerce recognized Investigator Lorraine Robinson and Lieutenant Tanya Stanford for their work in obtaining Contract Training Provider status through the Texas Commission of Law Enforcement (TCOLE). This provider status enables Humble ISD’s police department to provide training for police officers in the state. Investigator Robinson serves as the Training Coordinator and Lieutenant Stanford serves as a member of the Training Advisory Board. Currently there are 2,650 Law Enforcement agencies in the State of Texas, 188 Law Enforcement Contract Training Providers and only six of those are Independent School District police departments.
Passion for teaching inspires, drives District Teachers of the Year

Humble ISD is proud to honor the 2014-15 Teachers of the Year. Charlie Duke of Humble High School is Secondary Teacher of the Year. Lisa Guin of Maplebrook Elementary is Elementary Teacher of the Year. They were chosen from 44 Campus Teachers of the Year.

When Charlie Duke came to Humble High School in 2008, the FFA program included about 30 students. He wanted to expand the program, to reach more students and show them that FFA could teach practical skills to take with them beyond high school. His vision, his passion and his approachable demeanor connected well with the Humble High School student population, apparent in the steady growth of FFA membership that now exceeds 80 students.

Duke is certainly passionate about FFA at Humble High School, but he also teaches Horticulture, Landscape Design and Wildlife Management with the same goals for his students. He remembers when one of those courses made an impact in a student who had traveled from district to district, always feeling a step or two behind.

“He really got into my Agricultural Mechanics class, and I saw how it motivated him,” recalls Duke. “One of the conditions to being in that class is that you must be in good standing in all your classes— which he was. By the end of the semester, his mother invited me to dinner with the family. She thanked me, because it was the first time her son had received all his credits for that year since the second grade.”

Going beyond curriculum is a standard in Mr. Duke’s classroom. He involves students in Leadership Development events to learn critical skills such as communication, presentations and public speaking. For example, junior and senior students participate in Creed Speakers, where each must recite from the FFA Creed in front of judges. Duke is also committed to service learning, taking his students out in the community several times a year.

“I try to expose them to a lot, with events like Special Kids Day, to show special needs students what we do. We also work with HAAM to sponsor animals for students who can’t afford it,” says Duke, who believes community involvement adds so much education. “In the end, we as teachers are all here for the same reason. We want to help kids become well-rounded people, and make sure they are able to do what they want in life, whether it be college or career. When they graduate, we want them to know they can make that choice.”

Lisa Guin spent much of her life wondering what her “gift” was.

“Although I had never felt or believed I had it, I knew talent and could appreciate it,” said Guin. “I’ve been awestruck listening to the fiddle, shed a tear over the splendor of a painting, have been moved beyond expression by a voice I can only describe as unbelievable. As moving as those moments were, I always wished I had some type of gift to offer the world.”

Guin, who came to teaching after getting married and raising kids, happened upon her gift when she was volunteering at her child’s school.

“The more time I spent volunteering at my son’s elementary school and working on phonics and reading at home, it became clear to me. I had a knack for teaching! I went back to school to become a teacher, and it’s where I’m supposed to be.”

Her students would agree. In her classroom, learning and fun go hand-in-hand. Guin uses creative techniques to bring reading and writing to life. When she discovered nearly every student in her classroom was a fan of Duck Dynasty, she created a club called Writing Dynasty to encourage her students to have fun and challenge one another in their reading and writing assignments.

Maplebrook Principal Marcia Reineking describes Guin as “creative, fun, engaging and very talented. She’s one of the best teachers I’ve known.”

Guin’s love for teaching is appreciated by all around her. In fact, Guin’s success in the classroom was also noticed recently in the H-E-B Excellence in Education Awards. The announcement came as a surprise to Guin, who received balloons, cake, flowers and a $1,000 check. MBE and District administration, staff, and Guin’s family members were also present to share in the celebration. She was one of 30 regional finalists in various teaching categories.

Guin has 13 years of teaching experience, and taught second and then fourth grade at Maplebrook for the past 10 years since the school opened in 2001.
Humble ISD Teacher of the Year Finalists

Each school chooses a Teacher of the Year for its campus. 2014-15 Finalists and District Teachers of the Year are chosen by a district selection committee based upon essays and interviews.

All middle and high school students to wear photo identification

All Humble ISD secondary students will start the year with an addition to their wardrobe—mandatory photo ID badges. Several campuses have already implemented student badges. Sterling, Humble, and Timberwood middle schools and Atascocita and Summer Creek high school students have already been wearing ID badges.

The badges are another way to enhance student safety and security. Visible photo identification will help each campus assure that everyone in the building is supposed to be on that campus—both students and staff. Brian Johnson, KPHS Associate Principal, said, “Use of ID badges will not only facilitate a more safe and secure environment, it will also allow us to be more efficient operationally, such as in the cafeteria, library, with textbooks, and more.”

The badges will be created during back-to-school camps. Some campuses plan to distribute photo ID badges on the first day of school. “We will try to take pictures during orientation of students for whom we do not already have a picture from yearbook photos,” said Johnson. “We should have a yearbook photo on file for all current students. We will be using those to print the majority of the badges over the summer.”

Middle schools should have all badges completed within the first two weeks of school, if not during a camp/orientation. The badges should be worn so that they are visible—preferably on a lanyard.

There is no cost to students to have the badge made, but should a student lose or damage his/her badge, there will be a replacement fee.
Campus Teachers of the Year honored

DAEP
Mr. Robert Scarfo, President
Robert is Director of Credit Services for Insperity. He and his wife Jayme are members of Christ the King Lutheran Church. Their family includes six adult children: Alex, Brian and wife Brooke, Becca, and Erin and husband Chase and two grandsons: Beckham and Jake. Robert is a member of both the Lake Houston Area Chamber of Commerce and the Kingwood Intercontinental Rotary. He also serves on the Advisory Board of the Village Learning and Achievement Center.

Robert has lived in the District for over 23 years and has served on the School Board since 2008. For the 2014-2015 session, Robert was elected by the Board to serve as Board President and is Chair of the Finance Committee and serves on the Technology and Data Governance Committee. Last year, in addition to his work on the Finance Committee, he served on both the Program Evaluation and Audit Committees.

During his first term he served on the Building/Planning and the Finance Committees. He served on the Legislative Committee in 2010-2011, while also serving as Board Liaison with the Humble ISD Education Foundation. Prior to his election, he served on the Council of PTAs, Handbook Review, Student Health Advisory, and was a co-chair of the 2005 and 2008 Bond Study Committees.

Mr. Robert Sitton, Vice President
Robert is a financial advisor with Edward Jones Investments. His family includes wife Jen, children Jon, Cody, Keenan and Kaitlyn, daughter-in-law Katherina and grandson Robert Jon (RJ). Robert is a life-long resident of Humble ISD, part of a family of three generations of Humble High School graduates. His professional experience includes teaching and coaching for eight years in Aldine ISD.

Robert chairs the Board’s Program Evaluation Committee and serves on the Board and Superintendent Evaluation Committee, Building and Planning Committee and Finance Committee. He also serves on the Lake Houston Area Chamber of Commerce Board and the Kingwood Medical Center Board.

Mr. Keith Lapeze, Secretary
Keith is a partner at the law firm The Lapeze Firm, P.C. He is married to Christy Lapeze and has one child, Luke. They attend Kingwood United Methodist Church in Kingwood. Keith also serves on the Kingwood Medical Center’s Board of Trustees. He and his family have lived in Humble ISD for more than ten years and he has served on the School Board since 2006. Keith chairs the Board and Superintendent Evaluation Committee and serves on the Advertising and Marketing and Program Evaluation committees. He also is the School Board representative to the Humble ISD Education Foundation Board.

Ms. Angela Conrad, Parliamentarian
Angela is an instructional designer for Insperity. She lives in Kingwood with husband Troy Church, and two teenagers, Daryn, a freshman at University of Texas, and Braeden, a junior at Kingwood High School. Angela has over 14 years of experience in public education, including six years as a math teacher, and eight years in the Humble ISD Instructional Technology department.

Angela won national recognition for Humble ISD through distance learning programs she designed, implemented, and shared with other districts. She provided Humble ISD students and teachers with learning opportunities beyond the physical confines of the school buildings. Angela has devoted a significant part of her career to improving the quality of education by training and mentoring teachers, modeling best practices, and presenting at statewide conventions. She also conducted parent seminars on Internet Safety and Cyberbullying.

Angela currently serves as chairperson of the Board’s Technology and Data Governance Committee and is a member of the Audit Committee, Board and Superintendent Evaluation Committee, and Legislative Committee.

Mr. Heath Rushing, Board Member
Heath is the Chief Operating Officer at Memorial Hermann Northeast Hospital and has been employed by Memorial Hermann Health System for his entire career. He graduated from Texas A&M University with a Masters degree in Healthcare Administration. Heath and wife Sara Paisley Rushing have three children: Harper, Graham, and Finn. Heath and his family are active members of Kingwood United Methodist Church.

Heath is involved in the community in a variety of capacities. He is a board member for the Lake Houston YMCA where he serves on the board development committee. Heath is also a volunteer youth soccer coach for the Texas Heat Wave and is Co-Team Manager for the Sand Creek Sea Lions swim team in Kingwood. He is a graduate of the inaugural Leadership Lake Houston program sponsored by the Lake Houston Chamber of Commerce. Heath is a member of the Lake Houston Chamber of Commerce where he serves as Co-Race Director for the annual Lake Houston 10K/5K.

Heath currently serves as chairman of the Board’s Legislative Committee and Advertising/Marketing Committee and is a member of the Building and Planning Committee and Technology and Data Governance Committee. Heath is also a Board Trustee representative to the Kingwood Super Neighborhood Council.

Mr. Charles Cunningham, Board Member
Charles is a Key Accounts Consultant for CenterPoint Energy. He is chairman of the Board’s Audit Committee and is a member of the Finance Committee, Legislative Committee and the Program Evaluation Committee.

Charles also serves as the President for the Gulf Coast Area Association of School Boards (GCAASB). Charles is a member of St. Mark Missionary Baptist Church in Humble. He has lived in Humble ISD for 21 years and has served on the school board since 2007.

Mr. Brent M. Engelage, Board Member
Brent is an orthopedic Physical Therapist currently practicing at an outpatient setting for Select Medical Corporation. Brent graduated from the University of Nebraska-Lincoln and the University of Nebraska Medical Center in 1983 and has practiced as a Physical Therapist in Texas since 1985.

Brent is the Board’s immediate Past President and is currently serving as the chairman of the Board’s Building and Planning Committee and is a member of the Advertising/Marketing Committee and Audit Committee.

Brent has lived in Kingwood since 1985 and was first elected to the Humble School Board in 2008. Brent is married to Lena Engelage and they have two daughters who attend Creekwood Middle School. He and his family are active members of Second Baptist Church—Kingwood campus.

*Homecoming Game

Football game schedules and schedules for other sports will be posted on the Athletic Department site at [www.humbleisd.net/athletics_schedules](http://www.humbleisd.net/athletics_schedules).
District continues to grow in 2014-15 and beyond

With each new school year comes new, smiling faces as Humble ISD continues to grow! Projected enrollment for the 2014-15 school year is 39,456 students, up by about 1,200 students from the previous year. Over the next 10 years, Humble ISD’s projected enrollment is expected to grow by 13,500 students.

“Humble ISD has extensive experience managing growth,” said Superintendent Dr. Guy Sconzo. “In the past decade, the district has grown by more than 10,000 students. There will undoubtedly be a need for a bond election in future years but in the short-term, the district is well situated to manage the growth we are experiencing.”

Read on to find out more on what growth in the district means for Humble ISD students and families.

What will happen in the next few years?
The district expects to gain about 6,500 new students in the next five years, and to grow by about 7,000 more from 2018-2023. By 2023, Humble ISD expects to serve about 52,000 students. Demographers have informed district leaders those new students will bring a need for three new elementary schools, two new middle schools, and a new high school.

How does growth affect other issues?
Student enrollment growth is a critical factor in all district operations. The 2014-2015 budget includes 65 new staff positions because of growth.

What is driving our enrollment growth?
The bulk of student growth is driven by new home construction. There are 56 subdivisions in the district where new homes are actively being built. The district also gained more than 300 students this past year from older subdivisions. As empty-nesters sell their homes, often families with school-age children move in. This community is seen as a desirable place to raise children.

What is the status of the last bond?
Residents in Humble ISD voted on May 10, 2008, to approve the issuance of $244,920,000 in bonds. From the 2008 bond program, $155 million in authorized, but unsold to date, bonds remain. The district’s focus at this time is using resources still available from the 2008 bond referendum for land purchases or school construction.

Are new campuses opening next year?
No.

What is our most recent campus opening?
Ridge Creek Elementary School is Humble ISD’s newest campus. It opened in August 2013 and is the district’s 27th elementary school.

How does Humble ISD keep an eye on demographics? Were recent studies completed?
Humble ISD has worked with Population and Survey Analysts (PASA) since 2004 to project when and where student enrollment growth will be occurring within the district. Growth projections are crucial for planning purposes to ensure resources are in place for students.

What immunizations does my child need?

All students must be immunized in accordance with state law before entering Texas schools. Check the article on page 13 for information on immunization clinics at Humble ISD campuses.

**Age 3**
- Polio - 3 doses
- DTaP/DT/DTP (Diphtheria/Tetanus/Pertussis) - 4 doses
- MMR (Measles/Mumps/Rubella) - 1 dose on or after the first birthday
- Hepatitis B - 3 doses
- Hepatitis A - 2 doses - first dose after the first birthday
- Varicella - 1 dose - after the first birthday
- PCV (Pneumococcal) - 4 doses
- HIB (Haemophilus Influenzae type b) - 3 doses

1. 3 doses with one after first birthday, or 2 doses with both doses after first birthday, or one dose after second birthday.
2. Complete series is 2 doses plus a booster after first birthday. If first dose is given after first birthday only one additional dose is required. If first dose is given after 15 months of age, only one dose is required.

**Age 4**
- Polio - 3 doses
- DTaP/DT/DTP - 4 doses
- MMR - 1 dose on or after the first birthday
- Hepatitis B - 3 doses
- Hepatitis A - 2 doses - first dose on or after first birthday
- Varicella - 1 dose - after the first birthday
- PCV (Pneumococcal) - 4 doses
- HIB (Haemophilus Influenzae type b) - 3 doses

1. 3 doses with one after first birthday, or 2 doses with both doses after first birthday, or one dose after second birthday.
2. Complete series is 2 doses plus a booster after 1st birthday. If 1st dose is given after 1st birthday only one additional dose is required. If first dose is given after 15 months of age, only one dose is required.

**Kindergarten and Grades 1 - 5**
- Polio - 3 or 4 doses with one after fourth birthday
- DTaP/DT/DTP - 4 or 5 doses with one after the fourth birthday
- MMR - 2 doses - First dose must be on/after first birthday
- Hepatitis B - 3 doses
- Varicella - 2 doses - First dose must be on/after first birthday
- Hepatitis A - 2 doses - First dose must be after the first birthday

1. If the third dose was administered on or after fourth birthday, only 3 doses required.
2. a. If the fourth dose was administered on or after fourth birthday, only 4 doses required.
   b. 3 doses for students age 7 and above, if the first dose was after the fourth birthday.
3. Ages 11-15: 2 doses meet requirement if adult hepatitis B vaccine (Recombivax) was given. Dosage and type of vaccine must be clearly documented.
4. 2 doses are required if the first dose was given after age 13
5. Students who have had the disease will not be required to receive the vaccine. A valid affidavit is required for documentation of the disease.

**Grade 6**
- Polio - 3 or 4 doses with one after fourth birthday
- DTaP/DT/DTP - 4 or 5 doses with one after the fourth birthday
- Measles - 2 doses with first after the first birthday
- Mumps - 1 dose given after the first birthday
- Rubella - 1 dose given after the first birthday
- Hepatitis B - 3 doses
- Varicella 1 dose - on or after the first birthday

1. If the third dose was administered on or after fourth birthday, only 3 doses required.
2. a. If the fourth dose was administered on or after fourth birthday, only 4 doses required.
   b. 3 doses for students age 7 and above, if the first dose was after the fourth birthday.
3. Ages 11-15: 2 doses meet requirement if adult hepatitis B vaccine (Recombivax) was given. Dosage and type of vaccine must be clearly documented.
4. 2 doses are required if the first dose was given after age 13
5. Students who have had the disease will not be required to receive the vaccine. A valid affidavit is required for documentation of the disease.

**Grade 7**
- Polio - 3 or 4 doses with one after fourth birthday
- DTaP/DT/DTP - 3 doses with one after the fourth birthday and 1 Tdap/Td booster within last 5 years
- Measles - 2 doses with first after the first birthday
- Mumps - 1 dose given after the first birthday
- Rubella - 1 dose given after the first birthday
- Hepatitis B - 3 doses
- Varicella 2 doses - First dose given after the first birthday
- Meningococcal - 1 dose

1. If the third dose was administered on or after fourth birthday, only 3 doses required.
2. 2 doses meet requirement if adult hepatitis B vaccine (Recombivax) was given. Dosage and type of vaccine must be clearly documented.
3. Students who had the disease are not required to receive the vaccine. A valid affidavit is required for documentation.

**Grades 8-12**
- Polio - 3 or 4 doses with one after fourth birthday
- DTaP/DT/DTP - 3 doses with one after the fourth birthday
- Measles - 2 doses with first after the first birthday
- Mumps - 1 dose given after the first birthday
- Rubella - 1 dose given after the first birthday
- Hepatitis B - 3 doses
- Varicella 2 doses - First dose after first birthday
- Meningococcal - 1 dose

1. If the third dose was administered on or after fourth birthday, only 3 doses required.
2. 2 doses meet requirement if adult hepatitis B vaccine (Recombivax) was given. Dosage and type of vaccine must be clearly documented.
3. Students who had the disease are not required to receive the vaccine. A valid affidavit is required for documentation.

**Students in Classes on College Campus**
All students attending classes at Quest Early College High School or any other college campus (including Community Colleges) must have a Meningococcal immunization within the past 5 years. The immunization must be administered more than 10 days prior to attendance.

**Vaccinations Received Outside the U.S.**
Records of vaccinations received outside the U.S. must be adequately documented and comparable to the schedule and dosage recommended by the State of Texas. Foreign immunization records must be legible and officially certified. The District reserves the right to question all documents and request verification of any or all records by a private physician.

**Exemptions**
For children who need medical exemptions, a written statement by the physician should be submitted to the school annually. Parents/guardians choosing the exemption for reasons of conscience, including a religious belief, should visit www.immunizetexas.com for instructions.
Immunizations clinics

Families who have used city and county health centers in prior years for back-to-school immunizations may find that this is not an option for them, as eligibility requirements have changed. Most students need updated immunizations when entering the seventh grade.

City and county health centers will provide immunizations to students on Medicaid or with no insurance. Students with insurance must find another option, such as a doctor’s office or pharmacy. Any health care provider will know which immunizations are required of Texas public school students.

For your convenience, Humble ISD has partnered with Texas Vaccine Institute (TVI) to offer immunization clinics that are open to all students. Immunizations will cost $15 for one immunization, $25 for 2 and $30 for 3 or more.

TVI will operate the following clinics:
• Wednesday, Aug. 13: 7:30 a.m. to 6 p.m. Atascocita Middle School, 18810 W. Lake Houston Pkwy., Humble, 77346
• Wednesday, Aug. 13: 2 to 7 p.m. Timberwood Middle School, 18450 Timber Forest, Humble, 77346

Humble ISD Non-Discrimination Policy

It is the policy of the Humble Independent School District to comply fully with the nondiscrimination provisions of all Federal and State laws and regulations by assuring that no student shall be discriminated against, or harassed, on the basis of race, color, religion, national origin, sex, gender, disability, age or any other basis prohibited by law in its educational and vocational (CTE) programs, or activities, as required by Title IX, Title VI, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act. Dr. Thomas Price, 281-641-8005, has been designated as the Title IX Coordinator (Sex and Gender), the Title VI Coordinator (Race, Color, National Origin) and the Section 504 and ADA Coordinator (Disability). A more detailed notice of non-discrimination may be found in the 2014-15 Student Handbook.

Get ready, get set for going back to school!

Practice new routines
As summer comes to a close, begin practicing the morning routine with your child to get them used to the idea of waking up earlier, preparing their belongings the night before and eating a good breakfast to start the day. By the time the first day of school arrives, you and your child will be able to enjoy a stress-free send-off!

Involv kdis in back-to-school shopping
What better way to put your child in the back-to-school frame of mind than to include them in shopping! Picking out new clothes, supplies and accessories such as lunch kits or backpacks can become a fun, family activity that allows students to have input and choice. Many students enjoy being able to add their own unique style to their back-to-school wardrobe.

Visit your child’s school
Visit our Registration Information pages (14-18) to see when your child’s campus is having orientation, open house or Meet the Teacher nights. Take this opportunity to familiarize yourself and your child with the school and staff—especially if at a new campus.

Provide encouragement and time to talk
Starting a new school year is exciting at any age! Allow time before the new year to discuss what changes your child may encounter in classroom expectations or new schedules, such as lunch or recess times. Encourage your child to ask questions about any concerns, especially as they advance from elementary to middle or middle to high school. These transitions can be overwhelming, and your encouragement as a parent will help to support them along the way. Finally, when school begins, make sure to talk about the day’s events, and listen as your child shares her experiences and feelings with you.

Randall Reed: a big heart for special kids

The Board of Trustees commended Randall and Sherry Reed of Planet Ford for their generosity in providing a trip for 49 students and their chaperones to Orlando. From Magic Kingdom to Universal Studios, students in the Best Buddies program at Kingwood Park High School experienced travel with friends and peers.

The Reeds provided more than $158,000 to cover all expenses.
“My family and our team at Planet Ford are thrilled to lend a helping hand in making this dream vacation come true,” said Mr. Reed. “Everyone has worked hard, including these amazing kids, to help make this all a reality.”

In the Best Buddies program, general education students spend time with special education students, building friendships and understanding of the difficulties special needs children face. Typically, students who have intellectual and/or developmental disabilities are not able to go on school trips without their parents because of their special needs.
Back-to-school information for all students

All students new to Humble ISD must register online. Visit [www.humbleisd.net/enrollment](http://www.humbleisd.net/enrollment) and select New to District Student to see the four steps to enroll new students. Additional registration information for each campus is listed on pages 14-18.

Along with signed forms, parents will need to bring to New Student Registration:

- **Proof of Age and Proof of Identity** (official birth certificate, adoption record, hospital birth record, passport or other legal document that establishes age and identity)
- **Parent/Guardian’s driver’s license or passport for identification purposes**
- **Immunization records**
- **Proof of residency in Humble ISD (utility bill, lease agreement, house closing statement)**
- **Previous school records, school’s mailing address**
- **Standardized test results, if available**

Parents of all returning students must update each child’s enrollment information via Home Access Center (HAC). Annual Student Update for the 2014-2015 school year will open August 5.

Parents of returning students must complete Online Annual Student Update before Aug. 25. All registered students must be in attendance the first day of school (Aug. 25) or they will be dropped from class rolls. Visit [www.humbleisd.net/enrollment](http://www.humbleisd.net/enrollment) and select Returning Student to get directions for completing Annual Student Update. Parent Guides in both English and Spanish are available on that screen.

Additional information for Pre-K Registration:

Parents must bring documents that show qualification for the program.

- **If based on income:** proof of household income (pay receipts for previous 30 days or food stamp letter).
- **If based on language:** the child should be present at registration for testing.
- **If based on military service:** Department of Defense identification; or copy of death certificate from Department of Defense or memorandum signed by the Casualty Office; or copy of Purple Heart orders or citation or copy of the Line of Duty Determination or copy of an official letter from commander.

If you moved to a different school in Humble ISD:

- Inform your child’s former school and request that they send records to the new school.
- Show proof of residency at the new school during new student registration. Acceptable forms of Proof of Residency include:
  - If you live in a house: gas, water or electric bill in the name of the parent. Bill must be dated no earlier than July 1, 2014.
  - If you live in an apartment: Copy of lease showing parent as person leasing apartment and showing student as occupant.
  - If you are in a new home and have not yet received a utility bill: Copy of the lease or sales contract. Earnest money contracts are not accepted.
  - If you live with another family: Address affidavit (available at schools) and a current utility bill in the name of the person with whom you reside. The form requires the signatures of all homeowners and the parent and must be notarized.

If someone other than a parent enrolls a student:

Guardianship packets are available at the schools. Paperwork must be completed prior to enrolling.

Pre-Kindergarten Registration

Humble ISD offers a free half-day pre-kindergarten program for eligible four year olds. Eligible children include those who have difficulty speaking and comprehending English, meet free or reduced lunch guidelines, are in foster care or are homeless. Others who qualify include the child or stepchild of active duty members of the U.S. military (including the state military forces or a reserve component ordered to active duty) and the child or stepchild of those killed or injured while serving active duty. Children who are or have been in the conservatorship of the state Department of Family and Protective Services following an adversary hearing under Family Code Section 262.201 are also eligible.

Registration information for Grades K-5

Atascocita Springs - 281-641-3600
Students new to the district register by appointment beginning Aug. 4. Parents of new students can call beginning July 29 for an appointment. Parents can pick up back-to-school packets Aug. 11 from 9 a.m. to 6 p.m. Packets must be returned Aug. 20 from 9 a.m. to 1 p.m. and 3 to 7 p.m. Panther Camp is Aug. 22 from 4 to 6 p.m.

Bear Branch – 281-641-1600
New students register Aug. 13-22 from 8 to 11 a.m. and 1 to 3:30 p.m. Kindergarten Meet the Teacher is Aug. 22 from 10 to 10:30 a.m. A PTA meeting is scheduled Aug. 22 at 6 p.m. Parent Orientation will be Aug. 22 in two sessions: Session I at 6:30 p.m. and Session II at 7 p.m.

Deerwood – 281-641-2200
Parents of new students complete the online enrollment packet, then call 281-641-2203 after Aug. 12 to schedule an appointment to complete enrollment. Returning students must update enrollment information online. Additional enrollment forms will be distributed at Dolphin Debut on Aug. 22. Check the DWE website, www.humbleisd.net/dwe for additional information.

Eagle Springs - 281-641-3100
Parents of new students can visit the Eagle Springs website, www.humbleisd.net/ese, beginning Aug. 11 to schedule a registration appointment. Returning students pick up packets Aug. 12 from 8 a.m. to 4 p.m. or Aug. 13 from 8 a.m. to 6 p.m. Packets must be returned Aug. 19 from 9 a.m. to noon for students with last names A-L, and noon to 3 p.m. for students with last names M-Z. Returned packets earn a boarding pass to attend Flight School and Meet the Teacher on Aug. 21, with orientation sessions at 4:30 p.m. and 5:30 p.m.

Elm Grove – 281-641-1700
New student registration begins Aug. 12 from 9 to 11:30 a.m. and 1 to 3 p.m. daily except Aug. 20. Returning students pick up packets Aug. 15, from 8 a.m. to 4 p.m. and Aug. 19 from 9 a.m. to 6 p.m. Proof of residency is required to pick up packets. Parents return packets on Aug. 20 from 1 to 6 p.m. Kindergarten Orientation for parents will be Aug. 21 at 6 p.m. Meet the Teacher night for all grades is Aug. 22, 5 to 6 p.m. For more information, go to www.humbleisd.net/eg.

Fall Creek – 281-641-3400
New student registration begins Aug. 13. New students must first complete online enrollment. Go to www.humbleisd.net/fce for further details. For returning students, Back-to-School packets will be distributed Aug. 13 from 1 to 6:30 p.m. Completed packets along with proof of residency must be returned Aug. 19 from 10 a.m. to noon or 2 p.m. to 6 p.m. Parents of returning students must also update information online using your Home Access Center (HAC) which is available beginning Aug. 5. Kindergarten Orientation for parents only is Aug. 21 from 10 to 11 a.m. Cardinal Countdown is Aug. 21 from 5:30 to 7:30 p.m.

Foster – 281-641-1400
Pre-K registration is Aug. 7 from 7:30 a.m. to 12:30 p.m. New students in K-5 begin registering in August. Complete online application and sign up for a registration appointment at www.humbleisd.net/fe. Pick up back-to-school packets Aug. 18 from 1 to 6 p.m. Proof of residency and completed annual online update in Home Access Center is required to get a packet. Orientation for Pre-K parents only is Aug. 21 at 5:45 p.m. Orientation for Kindergarten parents only is Aug. 21 at 6:30 p.m. Orientation for all students is Aug. 22 from 4 to 7 p.m. Return completed packets during orientation.

Greentree – 281-641-1900

New Graduation Requirements allow flexibility

Humble ISD has new graduation plans! House Bill 5 made sweeping changes to the graduation requirements for Texas students. The new plans allow students more flexibility to create a graduation plan that meets their individual goals and interests.

Students entering high school in 2014-2015 must graduate on the Foundation High School program. Students enrolled in high school prior to 2014-2015 have the option of continuing on their current plan or transitioning to the Foundation High School Program.

Foundation with Endorsement requires 26 state credits for graduation.

Distinguished Level of Achievement replaces the current Distinguished Achievement Program (DAP) as the highest graduation plan in Texas. Students in the Class of 2018 who wish to be eligible for the Texas Top 10 Percent Automatic Admissions law must achieve the Distinguished Level of Achievement. This is the default plan for all Humble ISD students entering high school in 2014-2015 and beyond.

Endorsements
An endorsement is a broad area of study, like a college major, but much more broad. There are five Endorsements:
- Science, Technology, Engineering and Math (STEM)
- Business and Industry
- Public Service
- Arts and Humanities
- Multi-Disciplinary

In all endorsements except Multi-Disciplinary are career clusters. Humble ISD offers courses in all 16 of the national career clusters. Students can study everything from floral design to rocket science. Planning early allows students to take advantage of all the opportunities that exist in Humble ISD.

Choosing a path early does not lock a student into that path. Students will be able to change their minds. School counselors can help students navigate the career exploration process.

Basic Graduation Requirements
✓ Must pass five End of Course exams.
✓ Four credits of English.
- English I which has an End of Course exam, English II which has an End of Course exam, English III, and an additional English course which should be a bridge between high school and the student’s post-secondary goals.
✓ Four credits of math.
- Algebra I which has an End of Course exam, Geometry, and two additional math credits. The last math course should be a bridge between high school and the student’s post-secondary goals.
✓ Four credits of science.
- The only course required of all students is Biology which has an End of Course exam. In addition to Biology, students must take at least one lab-based science course and two additional science courses.
✓ Three credits of social studies.
- US History which has an End of Course exam, a half credit of US Government, a half credit of Economics, and a credit of either World Geography or World History.
✓ Two credits in the same Language Other Than English.
- One credit of Physical Education (or PE substitute such as athletics).
- One credit of Fine Arts.
- An endorsement.

Students can take courses under more than one endorsement before their junior year and can choose at any time to earn an endorsement other than the endorsement the student had previously indicated. All endorsements require that the student earns at least 26 credits.

WHERE WILL IB?

Humble High School proudly houses the world renowned, academically acclaimed International Baccalaureate (IB) Programme that prepares students for college, career and beyond - and is now available to out-of-district transfer students in grades 9-12! Visit humbleisd.net/IB to learn more about the IB Programme and apply before the August 29 deadline!
YMCA after-school program at all elementaries for grades K-5

The Lake Houston Family YMCA offers after-school child care until 6:30 p.m. at all Humble ISD elementary schools. Your children can enjoy after-school care in a familiar environment - their own school! Children are provided a healthy snack, an opportunity to complete homework, a variety of self-directed activities, special projects, arts and crafts, and indoor/outdoor recreational play supervised by trained and caring YMCA staff. In addition, counselors provide a daily curriculum, which includes math and science, health and wellness, and character development. The program is licensed by the Texas Department of Family Protective Services (TDFPS), and all YMCA staff receives 40 hours of annual training in CPR, AED, first aid and child abuse prevention. Lead staff are at least 21 years old.

MONTHLY RATES:
Kindergarten program: 1:50 to 3:15 p.m., $165/non-members $130/members
Extended Kindergarten: 1:50 to 6:30 p.m., $285/non-members $245/members
Grades 1-5: 3:15 to 6:30 p.m., $260/non-members $220/members
Drop-in passes are available, purchased five at a time:
$115 for YMCA Full Service Members, $140 for non-YMCA Members.

There is a $25 registration fee per child due at the time of registration, which is good for the entire 2014-2015 school year.

YMCA Full Service Members receive a discount on tuition, and ISD employees receive a 10 percent discount on monthly tuition. Limited financial assistance is available to families who substantiate a need. Workforce Solutions Customers are also accepted at all YMCA After School programs. For more information, call 281-641-8310. For information about your rights or grievance procedures, contact Dr. Tommy Price at 281-641-8005 or 20200 Eastway Village Drive in Humble. Career and technical education available for secondary students

Humble ISD offers career and technical education programs in technology, health science, technology, agricultural sciences, business education, family and consumer sciences, education, trade and industrial education, marketing education and career orientation.

Admission criteria are listed in the high school and middle school planning guides. It is the policy of Humble ISD not to discriminate on the basis of race, color, national origin, sex, sexual orientation, disability, age, religion or handicap in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 503 and 504 of the Rehabilitation Act of 1973, as amended; and the American Disabilities Act of 1990.

Humble ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all education and vocational programs.

Humble ISD provides a free, appropriate education consisting of regular or special education and related aids and services in career and technical education programs that are designed to meet individual educational needs of disabled persons as adequately as the needs of non-disabled persons.

For information on career and technical education courses, contact Dr. Marley Morris at 281-641-8310. For information about your rights or grievance procedures, contact Dr. Tommy Price at 281-641-8005 or 20200 Eastway Village Drive in Humble.
