RESOURCE DIRECTORY FOR HARRIS COUNTY

Designed for Agencies Serving Youth & Families

This directory includes only the most commonly used nonprofit, United Way, church and government resources available to the general public and is not intended to be complete. Private, for profit services are sometimes included if there is a lack of nonprofits for that service, or they offer some free or specialized program to the community. It is intended to be an organized informational guide for professionals working with youth. Inclusion does not denote endorsement or recommendation.

Directory information rapidly becomes outdated and a new directory is published annually. If you find errors or have information on new resources, please feel free to contact us so that we can stay as up-to-date as possible. For current information regarding state agencies, we recommend you contact the agency.

A special thank you to the DHHS: Administration on Children, Youth and Families for underwriting the resource directory.

Vanecia Gray, Client Services Specialist

Community Youth Services, a program of Harris County Protective Services for Children and Adults (HCPS), is a school based crisis intervention, counseling, and case management service that provides practical assistance to families of children and youth who are experiencing problems. In partnership with the local schools/other governmental entities, the services of CYS are available to students in 13 Harris County school districts, as well as the Pasadena Police Department, the Educational Services Division of the Harris County Juvenile Probation Department, the Community Education Partners Charter School and the Kashmere Wraparound School-based Program. All services of CYS are voluntary and provided at no cost. In counseling youth and their families, CYS also searches among the many agencies throughout Harris County to locate and help clients obtain needed social services to resolve family problems. Truancy, runaway, pregnancy, drug, school, economic, and family problems are appropriate referrals. When providing services, CYS will visit the family in their home or at the CYS offices on the school campus in the client’s community. CYS can also assist in dealing with other youth serving agencies of the county such as Juvenile Probation, Children’s Protective Services and Mental Health/Mental Retardation. To get help, simply telephone the Youth Service Specialist (YSS) for your school district during school hours, or their supervisor.

CYS Parent/Teen Survival Program
Rebbie Lewis-McGowen, Parent Teen Survival Program Coordinator
713-295-2550
713-295-2552

The Parent/Teen Survival Program is a year round 5-week, 10-hour curriculum-based program that teaches conflict resolution, anger management and mediation skills to youth, ages 10-17, and their parent(s) simultaneously, thereby improving behavior at home and in school. The no-cost group program is offered in English and Spanish, week nights and weekend mornings, in various locations throughout Harris County. Referrals are accepted from family members, agencies and professionals. Call CYS/PTSP for additional information on the referral process.

CYS Safety Net Program
Vanecia Gray, Safety Net Program Coordinator
713-295-2548

The CYS Safety Net Program is designed to prevent runaway episodes in adolescents and to successfully intervene in the lives of adolescents who run away in an effort to prevent youth homelessness. This is accomplished through flexible support and intervention, coordination of services, assistance with shelter placements or other safe housing alternatives, and the provision of contract services for family therapy and psychological screenings. A youth should be 17 years old or younger, homeless, living in an out of home placement, a runaway or at risk of running away to be eligible for shelter services. Non-shelter services are provided to youth up to 21 years of age. To obtain more information about services call the Safety Net Program Coordinator.

The mission of CYS is to improve the lives of youth and their families through advocacy, education and personal empowerment.
