This week we will...  

**Writing**
share our written poetry

**Reading**
read and discuss text features of the fiction novel *Iggy the Iguana*

**Math**
review and solve problems that involve a variety of math skills

**Science/Social Studies**
describe inherited traits of animals

---

**Important Reminders**

May 29  Awards at 11:45 in the classroom followed by a picnic at the pavilion

May 31  Report cards will come home and early dismissal 12:00

*In the summer, please ensure your child continues to read books of interest at least 20 minutes each day.* This can benefit your child by helping him/her to retain progress made throughout the school year and prevent decline in reading abilities. Have a wonderful summer!
