

Fifth Grade Newsletter

Week of Sept 23, 2019

What Are We Learning This Week?

MATH: We will multiply whole numbers up to a three digit by two digit. We will also multiply whole numbers by decimals.

SCIENCE: We will identify changes that occur in physical properties such as dissolving salt in water (mixtures and solutions).

SOCIAL STUDIES: We will be using primary and secondary sources to investigate some of the different theories behind the disappearance of the Roanoke Colony.

READING: Students will analyze the literary elements of Greek Mythology (a sub-genre of fiction). Students will select and begin to plan a project that will synthesize their knowledge of this genre.

How Can You Help Your Child At Home?

MATH: Practice basic multiplication facts with your child.

Science: Review science vocabulary with your child.

READING: Read at least 20 minutes per night. Our goal is for every student to read at least 30 books this year.

Spelling words: We will be working on vocabulary this week.
