

Fifth Grade Newsletter

Week of January 13, 2020

What Are We Learning This Week?

MATH: We will multiply and divide whole numbers and fractions.

SCIENCE: We will compare weather and climate for different regions.

SOCIAL STUDIES: We will examine the different "acts" (laws) passed by the British and explain how these contributed to the growing unrest in the colonies.

READING: We will examine the characteristics of a biography.

How Can You Help Your Child At Home?

MATH: Practice basic multiplication facts with your child. Student can also access Prodigy and Istation from home on the computer.

Science: Review science vocabulary with your child.

READING: Read at least 20 minutes per night. Our goal is for every student to read at least 30 books this year.

Spelling words: We will be working on vocabulary this week.
